Re: Tax Return & Refunds Requirements
Case #06-00

Dear Chapter 13 Debtor:

This letter is sent as a reminder that our office requires copies (not originals) of your filed tax returns. Pursuant to your Chapter 13 plan, you agreed to pay into your plan all disposable income for not less than 36 months from the date the first plan payment was due. This would include income tax refunds received during this period into your plan. If your plan allows you to keep a portion of your refund you still must provide our office with copies of your returns and send me any amount over and above the portion you are allowed to retain. *If you do not file tax returns, please send a written statement and proof as to why.*

Send copies of your Federal, State and Local filed tax returns plus any unsubmitted tax returns you are required to file during the first 3 years of your plan and any future tax returns or extensions to: Brett N. Rodgers, Chapter 13 Trustee, 50 Louis St NW, Suite 700, Grand Rapids, MI 49503.

Send all required refunds to: Brett N. Rodgers, Chapter 13 Trust Account, PO Box 3538, Grand Rapids, MI 49501-3538.

Be sure to put your name and Case Number on all checks and money orders sent and note on the check or money order that it is a payment for a tax refund (Example - "IRS 2004"). You can also endorse the actual government refund check with the statement "Pay to the Order of Brett N. Rodgers Trustee" and include your case number on the front of the government check.

Failure to comply could result in delay in closing your case or result in dismissal of your case.

You must respond by May 15, 2006 or sooner. If you have questions you will need to contact your attorney.

Thank You.

Brett N. Rodgers, Trustee
