In the matter of:

Chapter 13 File No: _____

Now comes the above-captioned debtor(s) who indicate to the Trustee that the following statements are true, accurate and complete to the best of his/her/their knowledge, information and belief with respect to the operations of his/her/their business for the six month period from Month of _____, 200__ to Month of _____, 200__:

1. All bills incurred by the business have either been paid in full, or will be paid in full within the next thirty days, except: (list exceptions, if any, giving the name(s) of the creditor(s) owed, amounts owed, and date when bill(s) were incurred; if non, so state) _____

2. All taxes, whether deducted from an employee or incurred by myself as employer, and whether for income, property, unemployment, sales and use, or any other type of tax or levy, have been paid in full, and the reports required to be filed with respect to these taxes have been completed and filed on time, except: (if non, so state) _____

3. That insurance coverage is in force in an amount sufficient to protect all parties, including the debtor(s), from any loss, including, but not limited to, fire and extended coverage, workers compensation and general liability, and the premiums for such coverage have either been paid or provision for payment within the next 30 days has been made.

4. That nothing has happened, either to the business or to the debtor(s), that would have an adverse affect on the continued operation of the plan, or an adverse affect on any creditor, whether pre-petition, or for a debt incurred after the plan was filed. If something has happened, please explain:

Dated: _____, this ____ day of _____, 200__.
